BIOCON
EXPERIENCE ELECTRIC ZONE

Introduction

Biocon is a leading electrical and Lighting company expertise since 1982, we have been serving the market since many years. we serve market in all lighting areas.

Residential

If there is anything that can appreciably alter your lighting experience and feel of your home, it's LED Lighting by Biocon. Bright light for study or reading corners. Warm light for living and dining. Soft light for your kitchen. Set the right moods with Biocon LED lights.

Commercial

To utilise energy in an efficient manner and to improve productivity, there is a need of distinct LED lighting solutions for Commercials buildings, Healthcare segments, Educational facilities, Hotels and Resorts, Bay areas and Workplace. Warm lighting for its reception, versatile lighting for board room and any other area you choose to illuminate. Experience Biocon LED lights for your every need and feel the difference.

Industrial

Increase energy efficiency with Biocon LED lights. Every Industry needs different lighting infrastructure for proficient working. Hence the need for good quality and uniform lighting for its various needs like shop floor, warehouse, quality labs, stores, bay areas, workplace.

Outdoor

Make public areas safer with Biocon LED Lights. Durable lights for Long term maintenance free use. Clear, high contrast light for night-time visibility. Choose from the wide range of our products to suit your different needs.

FEW WORDS FROM THE COMPANY...

Dear Customers, In order to propose more sustainable solutions and meet your needs and expectations, ranging from the most basic right up to the most complex, This catalogue contains all the lighting products of the brand BIOCON. Ever since the creation of our production site we have intensified our industrialization operations and confirm our commitment to offer more products. We are proud to present some of our products manufactured with special design in this catalogue.

This change has enabled us to pay even more attention to the quality of our products, with increased availability and modularity To suit customer requirements. Finally, more than ever BIOCON's aim is to provide you with more than just light. Our ZYRO, TWISTER, DISCO, BIO, B-ROTATE & ANTIQUE access solution through light is manufactured with quality control and solutions. Let's work together to create a more innovative, brighter world !
