MODULAR ACCESSORIES

# ROSSA

MODULAR SYSTEM

Beauty that  
amuses your senses.

An ultimate reflection of aesthetics coupled with style and absolute perfection, these plates suit every decor, blending seamlessly. Offering a wide array of styles, designs and materials, these classic designs lend an urbane look to your spaces leaving an impression that's timeless.

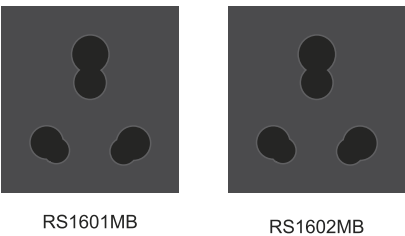

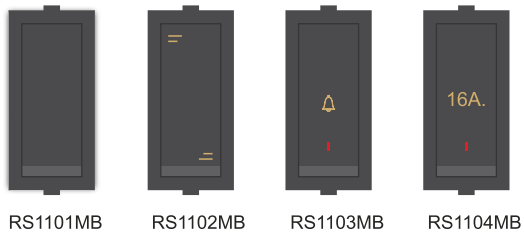

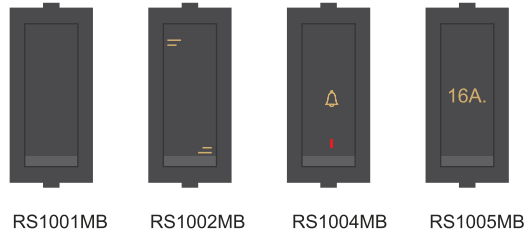

The ROSSA range of modular switches and systems breaks the mold with its classy, minimalistic, uniquely flat, and slim appearance. An example of meticulous craftsmanship, careful detailing, and unmatched excellence, the ROSSA range makes other ordinary switch ranges appear unwieldy and extravagant. Absolutely light and modern, the ROSSA range marks a new beginning in the world of standard fittings. Slim, stylish, minimal – the ROSSA Accessories shout quality, elegance, and finesse through every inch of their presence.

**ROSSA**  
MODULAR SYSTEM

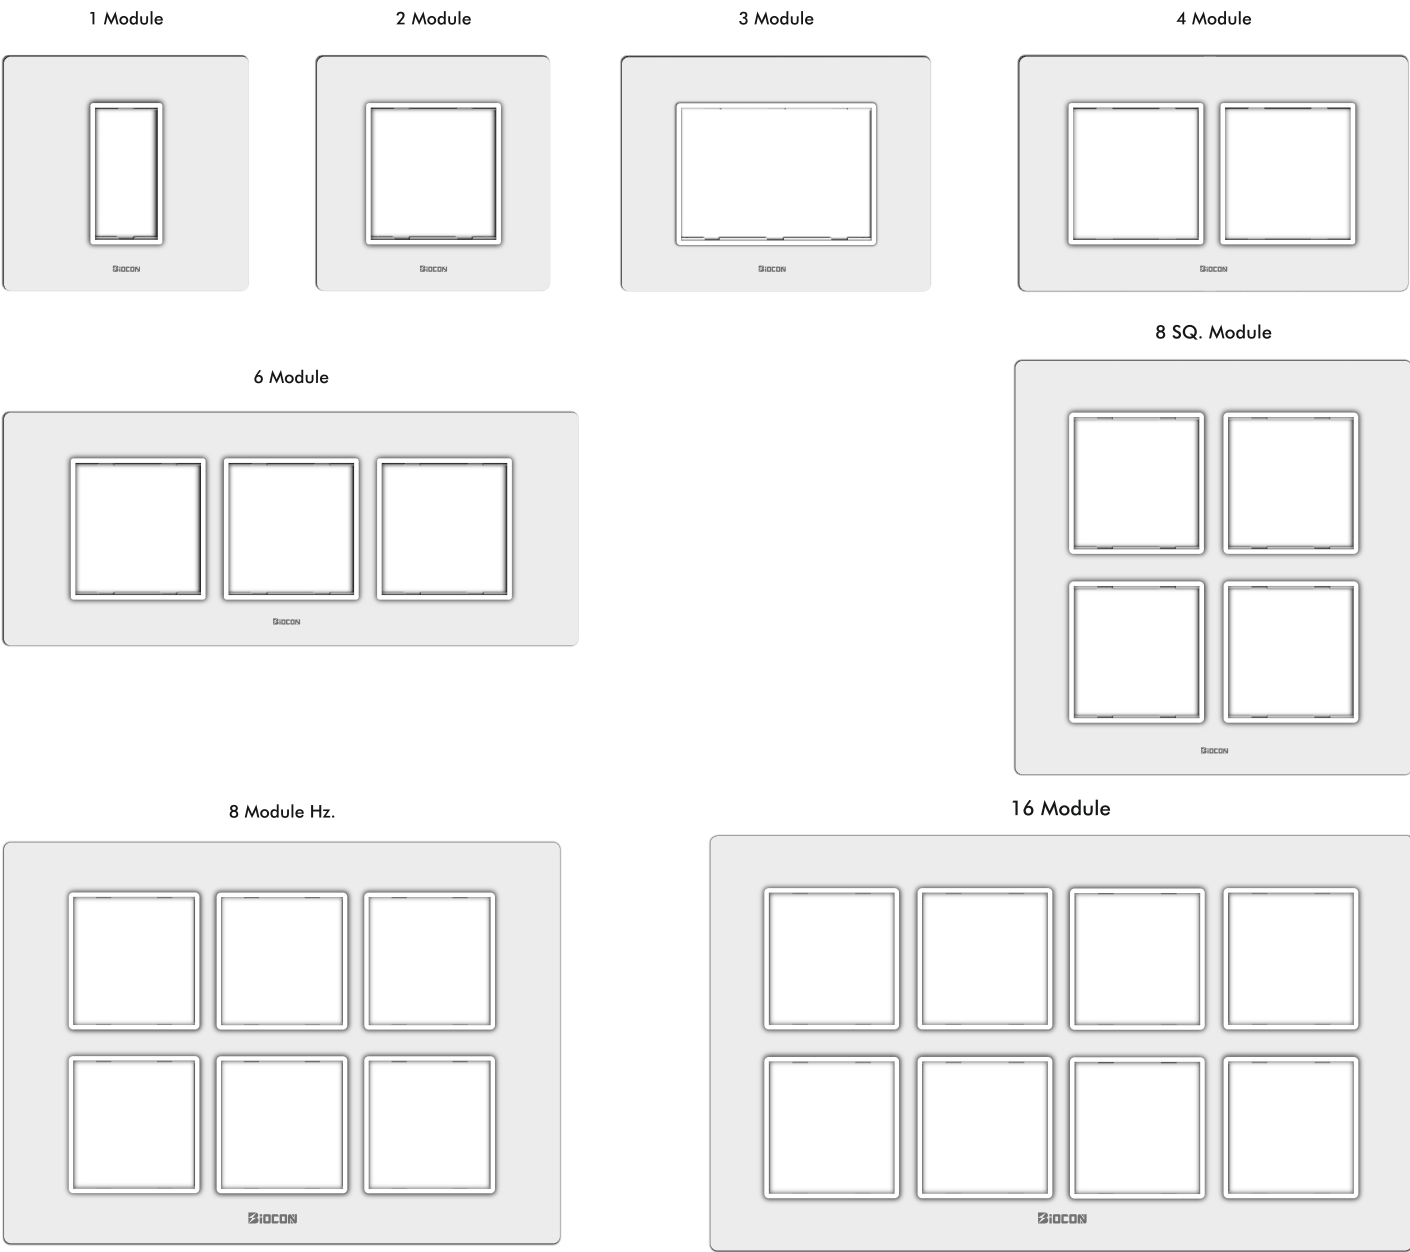

The ROSSA is undoubtedly a classic beauty—featuring a smooth, glossy surface with soft, rounded edges and a demeanor that is both sophisticated and inviting. Its elegantly flared corners reflect and absorb light, adding depth and character to the cover plate. This dynamic interplay of light and shadow creates a graceful, flowing effect, making ROSSA the ultimate statement piece for your wall.

**TRIM**

# LAMP HOLDER

Exclusively designed for an elegant look, easy portability, and long-lasting durability. Suitable for use in homes, offices, shops, restaurants, hospitals, and more.

The Angle & Batten Holder is crafted from heavy-duty, unbreakable polycarbonate for superior reliability. Featuring a high-quality brass ring, it ensures long-term performance.

Uses : Ideal for wall and false ceiling installations of lights and bulbs.

Material : • Exterior : Unbreakable polycarbonate  
• Internal : Premium brass for enhanced durability
